Relish Recipe!**Fire up the grill on Labor Day with Grass-fed Tomahawk ribeye's from Great Southern**

Great Southern is passionate about producing the world's best grass-fed beef and is all about saying "no" to shortcuts like added hormones, GMO's, and antibiotics. All cattle are 100% grass-fed and grass-finished with access to pastures 365 days a year. Also known as Free Range, the livestock have access to an abundance of land ensuring they can roam free all four seasons, across different pastures, and are never confined to a feedlot. Graded by Meat Standards Australia (MSA), Great Southern guarantees that only the highest quality cattle are selected for their premium brand, promising a delicious, tender and tasty product.
