EARTH FARE®

If you have never had a Zestar apple, you are in for a real treat! This medium to large-sized apple has a unique sweet-tart taste with underlying notes of brown sugar. Its cream-colored flesh offers the perfect balance of juiciness and crispness!

Try adding Zestar apples to your next cheese board! We love pairing thinly shaved slices with cheddar cheese and Roquefort cheese. Zestar apples are also ideal for baking and roasting so don't be afraid to fill your fall-inspired pie or pastry with this tangy fruit! Walnuts, cinnamon, and brown sugar just happen to be three of Zestar's best culinary friends.
