

# EARTH FARE

## At Earth Fare, we do Grass-Fed right.

Conventionally raised beef comes from cows who spend their lives in crowded conditions, stressed-out and hopped up on medicine. Grass-fed cows offer a safer, healthier alternative that tastes amazing. When you consume grass-fed beef, you get many added benefits such as more vitamins and nutrients.

Taste the difference at Earth Fare with delicious grass-fed Boneless Ribeye and NY Strip Steaks. Incredible flavor and quality at an incredible price. It's a win-win!
