EVERY DAY IS EARTH DAY

Stop The Waste
Program!

Food production is the single biggest cause of deforestation, water extraction, and habitat and biodiversity loss. To help with this problem, Earth Fare sells food at risk of being wasted at a deeply discounted price. Just look for the Stop the Waste stickers

Regenerative
Agriculture

Earth Fare works with farmers who practice Regenerative Agriculture (RA). RA reduces the use of water and other inputs, and prevents land degradation and deforestation. It protects and improves soil, biodiversity, climate resilience and water resources.

Seafood
Sustainability

Earth Fare offers 100% sustainably sourced seafood, meaning wild or farmed seafood is harvested in ways that don't harm the environment or other wildlife — helping to ensure healthy and resilient ocean ecosystems.

Take a Box
Save a Bag!

Did you know... Earth Fare banned single use plastic bags over 13 years ago? We have saved an estimated 3 million pounds of plastic from entering landfills! Take A Box, Save A Bag with our FREE Box Corral!

Bring Your
Own Container

Save on plastic and Bring Your Own Container when you stock up on Bulk items!
